Dear Parents/Carers/Alumni

Re: Thinking of teaching? Did you know you could train to teach with us at Teach SouthEast?

As you may know, St Charles Borromeo is proud to be one of the partner schools in the Teach SouthEast partnership. Teach SouthEast provides Initial Teacher Training (ITT), and in the last ten years we have trained well over 600 teachers, most of whom are now employed in our partnership of schools and many are now in leadership positions. In our last Ofsted inspection, Teach SouthEast was graded as outstanding in all categories.

Teach SouthEast is a growing partnership of over 30 primary and secondary schools and together we are passionate about providing high-quality, school-based Initial Teacher Training for both primary and secondary school teachers.

More and more people are considering a career in teaching, but we realise that the decision to train to teach is a big one, so we have uploaded some resources, and videos that may assist you in gaining valuable information about Teach SouthEast and what it's like to train to teach with us:
