

As part of our almsgiving service during Lent, we donated toiletries for the homeless charity, The Passage. This is a charity that we were asked to support by Mary Lee, one of our parishioners. It also helps us to remember of Catholic Social Teaching principle of Preferential Option for the Poor, when we serve the most vulnerable, just as Jesus taught us to. The Faith Council communicated with parents and were on hand to hand over the donations to Mary. Thank you all for your generosity, it was so appreciated by her and will help those most in need.
