

St Charles Borromeo Primary School

Sports Grant Spend - for academic year 2017/18

This year we continued to support specialist PE coaching from Mr Seuke and Mr Frith to children in Reception through to Year 6. We also continued to provide specialist coaching in Key Stage 2 for hockey, rugby and lacrosse.

We also invested in special workshops for children in Nursery through to Year 6 to help inspire them to try new sports as well as learn about how to keep their bodies healthy. Our themed week based on "Keeping Active" saw our children engaged in a range of activities including street dance, tennis, judo, football, yoga and skipping.

We have also been investing in new playground/sports equipment that all children can benefit from as well as new storage for this equipment so that it continues to benefit children in years to come.
