

# Year 6 Art and Design Skills- I Can...

## Investigation

## Observation

## Application

I can manipulate and experiment with the elements of art: line, tone, pattern, texture, form, space, colour and shape.

I can carry out preliminary studies, test media and materials and mix appropriate colours.

I can work from a variety of sources, including some researched independently.

I can explore further the use of clay e.g. slabs, coils, slips etc.

I can investigate, explore and record information about famous artists showing appreciations of aesthetic qualities.

I can identify artists who have worked in a similar way to my own.

I can analyse and comment on ideas and methods.

I can demonstrate a wide variety of ways to make different marks with dry and wet media.

I can develop ideas using different or mixed media, using an art book.

I can manipulate and experiment with the elements: line, tone, pattern, texture, form, space, colour and shape.

I can choose appropriate paint, paper and implements to adapt and extend work.

I can create shades and tints using black and white. Work from a variety of sources, including some research independently.

I can show an awareness of how paintings are created.

I can describe varied techniques.

I can show confidence in printing on paper and fabric.

I can show awareness of the potential of the uses of materials.

I can use different techniques, colours and textures when designing and making pieces of work.

I can create sculpture and constructions with increasing independence.
